Dear Student,

We would like to inform you of the services available to students with ADHD, learning issues, students with a physical, mental, sensory or cognitive disability, as well as students with a temporary/permanent medical condition which has implications on the student's learning abilities.

These services are provided as part of the Dean of Students Affairs office at the

Lea & Naftali Ben-Yehuda Accessibility and Study Skills Center:

1. Academic Accessibility - Counseling and support
2. Academic Learning Strategies Meetings – Individual or Groups
3. Student Mentorship
4. Assistive Technology – guidance and use
5. Providing information on your rights at NGOs and government offices
6. Special workshops on a variety of topics such as Mindfulness
7. Quiet spaces for private learning

- These services are subsidized
- The assistance at the center is private and discrete
- The Center's programs are funded by the aid of the Social Insurance Institute funds

For all the updated information: [www.idc.ac.il/eng/ssc](http://www.idc.ac.il/eng/ssc)

In order to be eligible for these services you must be recognized by the Dean of Students Affairs:

- A student with a medical, sensory or cognitive disability should approach the academic coordinator with the relevant medical documents regarding the diagnosis and full description of the functional limitations as a result of the disability.
- A student with Learning Issues/ADHD – should approach the Psychological Counseling Services with the relevant medical documents. For more information click here

Following the approval from the Dean of Students you are welcome to enjoy all the services provided by the center.

Good Luck
