HEALTH INSURANCE Graduate Students

All IDC Herzliya students are required to have comprehensive health insurance coverage throughout the duration of their studies. IDC cannot cover medical costs or take responsibility for students who do not have insurance.

You may purchase your own health insurance policy to cover your medical needs while in Israel, or purchase the UMS Harel Yedidim insurance policy for international students, offered by IDC. If you are an Israeli resident covered by Israel’s National Health Insurance (Bituach Leumi), you do not need any additional health insurance. The insurance plan with HAREL YEDIDIM provides comprehensive health coverage for *$990 USD per academic year, which will be charged at the beginning of the year. Please see the next page for policy details.

For all first year MA students, the insurance policy will start on October 14, 2020.

- for MA Diplomacy, MA Counter-Terrorism, MBA Healthcare, MA HCI, and One-Year MBA students the insurance policy will end on September 30th, 2021.

- for MA Government Thesis track, MSc Machine Learning, GMBA and OBD students the insurance policy will end on August 31st, 2021, and then will be automatically renewed for another year unless the student notifies the school in writing that he/she has an alternative health insurance and wishes to cancel.

- for MAFE and MA Behavioral Economics the insurance policy will end on August 31st, 2020, and then will be automatically renewed for another semester unless the student notifies the school in writing that he/she has an alternative health insurance and wishes to cancel

Please note that the HAREL YEDIDIM health insurance plan does not cover pre-existing conditions.

IN ORDER TO REGISTER FOR HEALTH INSURANCE THROUGH IDC YOU MUST CHECK THE RELEVANT BOX IN YOUR CANDIDATE INFORMATION STATION ONLINE OR EMAIL LEVYS@IDC.AC.IL.

YOU WILL ALSO NEED TO FILL OUT A HEALTH DECLARATION REQUIRED BY “HAREL YEDIDIM”, WHICH WILL BE SENT TO YOU 6 WEEKS BEFORE THE BEGINNING OF THE INSURANCE. WITHOUT THIS DECLARATION THE POLICY CANNOT BE ISSUED.

Medication:
If you are taking prescribed medication it is advised to bring an adequate supply for the duration of your stay in Israel. If that is not possible, you should bring a doctor’s
prescription (clearly typed in English) for the medicine that you are using, or a prescription of a generic medication that is suitable for your condition. If your medication is sent to you through the mail you will be required to present a copy of the prescription to the Israel Customs Office before it can be released.

**National Health Insurance (Bituach Leumi) for Israeli residents:**
All Israeli residents who are registered for National Health Insurance (Bituach Leumi) including new immigrants (Olim Chadashim) are entitled to receive National Health Insurance for a low monthly fee. New immigrants who are not employed are entitled to twelve months of free national health insurance.

*The HAREL YEDIDIM yearly rate of $990 USD is subject to change from year to year according to insurance company rate fluctuations. A notice about any rate change will be sent to students in advance.*
